# Rigid Kitchens

In stock for same day collection.

Elliotts introduce a new range of quality rigid kitchens available from stock. We have sourced and selected a range of up to date kitchens with full FSC accreditation and products from sustainable sources that meet the latest environmental requirements making these kitchens suitable for all sectors, including local authorities.

These kitchens are ideal for quick turnaround refurbishments offering quality kitchens at a competitive price without the wait.

Elliotts have committed to an extensive stockholding and new delivery vehicles to ensure a fast, efficient and quality service to you. This range complements the displays at our 6 kitchen and bathroom studios, where other makes of kitchen and appliance are available to order.

# Appliances

To accompany these kitchens we have also taken into stock a range of competitively priced appliances from Beko, who use the latest technology and state-of-the-art engineering techniques to offer quality, energy efficient products.
