

Glasroc H TILEBACKER

A water barrier, not a time barrier

**Now in
stock at all
branches**

What makes Glasroc H TILEBACKER the best choice for you?

- Pre-primed for tiling
- High water resistance, prevents water penetration through the board
- Up to a third lighter
 - making it easier to fix and handle around site
- Twice as quick to install
 - easy to cut, simply score and snap in one go

Elliotts Express

The Elliotts Express operates out of Southampton branch and offers an Express Delivery Service on all stock Birtley lintels and Polypipe products within a 40 mile radius.

Birtley Supergalv are quality lintels, protected by hot-dip galvanizing the complete lintel after fabrication.

Southampton branch hold a wide range of Birtley Supergalv lintels in stock. For more details or to arrange a delivery call Paul Shean at Elliotts Southampton on 023 8063 3833.

Cedral Weatherboard

- the ideal low maintenance, rot free alternative to traditional timber weatherboarding

With the visual appeal of natural timber, yet simple to install, resistant to rot, Cedral Weatherboard is an attractive low maintenance alternative to PVCu. It is available in 22 factory applied colours, four wood stain shades or in Natural finish for on-site painting. Elliotts hold in stock white, beige, grey-green, cream white & blue grey plus two woodstains, light oak & dark oak.

Advantages

- Can achieve an A+ rating in the BRE's Green Guide to Specification
- Excellent aesthetics
- Resistant to rot and maintains its looks
- Low maintenance
- Easy to install
- Use in the same way as wood
- Stands up to the harshest weather conditions
- Class 0 fire performance
- Immune to attack by pests and insects
- Weatherboard is ideal for use where traditional timber boards might be considered, especially for facades and window and door surrounds
- BBA Certificate No. 06/4299

Stocked at Fareham and available to order at all other branches.
