# Redland

Redland draws on the expertise and experience gathered from 90 years as an industry leader. It is their aim to deliver high-quality roofs that are easy to specify, buy, install and own.

Renown is a neat low-profile tile that comes in a variety of through coloured and granular faced finishes. Designed to blend unobtrusively into any environment.

Grovebury is a concrete interlocking tile that uses gentle flowing lines to create a double pantile appearance. They are quicker and easier to lay than single pantiles.

02 Brown and 03 Antique Red colours are held in stock with other colours available to order.
